

Communicating College of Kinesiology Research Success

Did you receive a new grant or award, reach a research milestone, present at a notable venue, achieve successful community engagement in research, receive a research recognition, and/or have another type of research contribution to share?

Please use this form to help us select the most appropriate venue to communicate your research success.

1. Provide a citation for your research contribution, followed by a brief significance statement. Include a hyperlink to the research contribution if possible:

2. Identify all College of Kinesiology faculty, PDFs and/or students in this contribution.

3. Does the research align with a College of Kinesiology research theme (check all that apply)?

- Indigenous wellness
- Healthy aging and management of chronic conditions
- Child and youth health development
- Human performance

RESEARCH THEMES

Indigenous wellness · Healthy aging and management of chronic conditions · Child and youth health and development · Human performance

4. Does the research align with a University of Saskatchewan Signature Area (check all that apply)?

- Agriculture (Food and Bioproducts for a Sustainable Future)
- Energy and Mineral Resources for a Sustainable Future (Developing Clean Energy Solutions and Working for Equal Access for All)
- Indigenous Peoples (Engagement and scholarship)
- Synchrotron Sciences (Innovation in Health, Environment, and Advanced Technologies)
- One Health (Solutions at the Animal-Human-Environment Interface)
- Water (Health, Equity, Access, Security and Sustainability of our Planet's Freshwater Resources)
- Communities and Sustainability (Exploring the Interrelatedness of Human Communities and Natural Ecologies)
- Health and Wellness (Combining the Arts, Social and hard Sciences to Make Canadians Healthier)
- Quantum Innovation (Creating Big Changes from Tiny Particles)

5. Do you have any preferences as to where to promote your research success (check all that apply)?

- KIN newsletter (digital)
- KIN social media accounts
- KIN/USask website article
- On-Campus News (digital)
- OVPR Discovery digest (email listserv)
- Media (external to USask)
- Other – please specify: _____

No preference

RESEARCH THEMES

Indigenous wellness · Healthy aging and management of chronic conditions · Child and youth health and development · Human performance

6. If you would like to tell us anything else about your success, please briefly explain:

Thank you for the information.

Please return the completed form to Alyssa Wiebe, Communications and Advancement Officer (alyssa.wiebe@usask.ca), Gen Clark, Research Facilitator (gen.clark@usask.ca), or Saija Kontulainen, ADRGS (saija.kontulainen@usask.ca).

RESEARCH THEMES

Indigenous wellness · Healthy aging and management of chronic conditions · Child and youth health and development · Human performance
