

Winter 2022: Initial Class Delivery Modes for KIN courses

UPDATED: January 4th, 2022

NOTE: Classes will start on **Monday, January 10th**.

The table below gives the **initial** delivery mode for all KIN courses (and ACB 221). These delivery modes are in effect until at least **January 21st, 2022**.

Courses indicated as **REMOTE** may be delivered synchronously or asynchronously or through some combination of both.

For all of your courses, check the course syllabus on Canvas for more detailed information. All students are responsible for ensuring they understand how each of their courses are being delivered.
